

K-Love has been an inspiration in my life and the lives of my family for a long time. On several occasions while awaiting major surgery, the sounds of K-Love have proved to be a time of comfort over and over again. We are sure that we, and the community in general, would suffer greatly from the loss of the enormously spiritual family of radio personalities. K-Love is now, and always will be, the guiding light of a great many of the residents of the United States and to remove that light from the world we live in would be a real tragedy. We sincerely hope that you keep that in mind when making your final decision.
